TECNOSICUREZZA
Locks & Security Systems

Pulse 2 Users

User instructions

Penalty

After four attempts to enter an incorrect code, the lock starts a 4-minute delay period. Each attempt to enter the code within the 4 minutes delay period restarts the count.

Low battery warning

A long beep during opening indicates a low battery level.
Replace immediately the low battery with a new Alkaline battery.

Sound signals

A double beep ♪♪ normally indicates a correct operation. A long beep ♪♪♪♪♪♪ indicates an incorrect operation and the end of the operation itself.

Reccomendations

Do not use easily identifiable codes such as 123456, dates of birth or other personal information.

Change code *(Default Manager code "123456". Safely store the new code and perform various opening / closing tests before closing the safe door).*
